

DAFT thanks Mary Beth Castorri for her generous donation honoring the memory of her husband and partner Ron Castorri, a Detroit-based filmmaker, producer and very proud Wayne State University film-school graduate.

For further information on supporting Ron Castorri's legacy, DAFT encourages you to support the Sky Foundation, dedicated to raising funds to advance research and increase awareness for the early detection and treatment of pancreatic cancer. Learn more about the foundation at [Facebook.com/SkyFoundationInc](https://Facebook.com/SkyFoundationInc).

**Sky** Foundation, Inc.

Today's Audience-Choice Awards are dedicated to Ron.

Welcome to the 53rd Michigan Student Film Festival! For the second year due to the COVID crisis, we are virtual instead of in the gorgeous atmosphere of the DIA's Detroit Film Theatre. Schools and teachers have been through the toughest circumstances in recent history, balancing in-person and virtual classes and dealing with a true energy crisis in the subject matter of the arts and technology--both hands-on programs that cannot be replicated through a Zoom screen.

DAFT listened to its teachers and our board (many of them classroom instructors as well) and made the decision to move the entry-deadline back 6 weeks to April 30th. In step with the state's vaccinations and creative workarounds, many video programs were able to submit as many entries as ever, while other programs, particularly the county-based tech centers drawing upon students from many districts faced especially tough circumstances getting enough students on-site at the same time to complete standard classroom projects let alone produce submissions for festivals.

Once again, our judges rallied and over a weekend they carefully reviewed nearly 300 entries--many devoting much more time to their comments that each student will receive. The quality of production remains high--and we added special awards to honor entries that made the best of a tough situation with limited resources, limited cast and crew contacts as well as unforeseen circumstances on basic things like two anchors sitting beside one another wearing masks.

We once again thank our judges and teachers for providing students an invaluable foundation for achieving their dreams of producing their own artwork. Through such encouragement, DAFT's alumni have moved on to great things--including Dan Scanlon who was nominated for an Oscar for writing/directing Pixar's "Onward" as well as a production role in the winning Pixar animation "Soul." Many of these alum joined our students last December and shared their paths via Zoom in our virtual Media Student Symposium that you can find on YouTube and our website.

Thanks everyone for making our two nights of live-streaming a huge success, including the DIA and Detroit Film Theatre, our partners of over 30 years. Special shout-out goes to the DFT's projectionist, Jody Huellmantel, who served as our streaming co-host with our Educator of the Year, Mike Conrad of Royal Oak High School.

We also thank Mary Beth Castorri for her generosity in supporting the Audience Choice award that honors the memory of her husband Ron and our partnership colleges: College for Creative Studies, Lawrence Technological University, Motion Picture Institute and University of Detroit Mercy. Special thanks to our longtime partner, Specs Howard School of Media Arts.

Congratulations to all students and teachers who produced films and submitted them. Remember, it's important to keep submitting your films to festivals. Check out Film Freeway--the films are already uploaded there, so why not shop them around?

If you missed our May 25-26 streaming, catch both episodes on [www.daftonline.org](http://www.daftonline.org). And we'll see you in-person next year back at the Detroit Film Theatre. Stay safe!

# Judging and Awards

## 53rd Michigan Student Film Festival

Recognized by the American Film Institute as the longest-running K-12 student film festival in the nation, the Michigan Student Film Festival was founded by the non-profit DAFT (Digital Arts, Film and Television) as a showcase for Michigan students to demonstrate their skills and to network with one another and industry professionals.

### The Judging Process

May 14-17th, first-round judging took place online with over 60 judges viewing entries from across the state. After each viewing, every judge completed a digital review form which will be returned to the students—rarely done in film festivals. The second round of judging makes overall recommendations of the follow levels of awards based upon the feedback of judges and room leaders:

**Merit Certificate** - Commendation for undertaking and completing a media production.

**Honor Certificate** - Cited for a higher than average level of quality in content and/or technical achievement.

**Excellence Certificate** - Cited for outstanding level of quality in content and/or technical achievement.

**Best of Show Certificate and Trophy** - Chosen from the Excellence level to represent the best student work at the Festival screening.

On May 25 and 26th, Best of Show selections were screened on YouTube, Facebook Live and DAFT's website to an audience of over 1,000 live viewers—with category winners announced as well as special awards for exceptional work in COVID circumstances (limited crew, limited circumstances and safety messaging, etc.).

**Funding the Festival:** The 53rd Michigan Student Film Festival is supported primarily through a generous grant from the Michigan Council for Arts and Cultural Affairs as well Mary Beth Castorri, who honors her late-husband producer Ron Castorri. The MCACA grant requires matching funds which is gathered through DAFT student, adult and institutional memberships and festival entry submission fees of \$12 per entry. We also wish to thank generous financial support from the National Endowment for the Arts.

**Scholarships:** We thank our partner colleges for the generous support of full and partial scholarships for our students, including:

- **College for Creative Studies** (Detroit) - three \$2,000 annual scholarships
- **Lawrence Technological University** (Southfield) - a \$2,500 annual scholarship
- **Motion Picture Institute (Troy)** - four \$4,000 scholarships
- **University of Detroit Mercy** (Detroit) - a \$500 annual scholarship

**Special Prizes:** Thanks to the generosity of our donors, we were able to offer additional prizes to be announced at today's festival, including...

- \$250 cash prizes for top PSA, Animation, Music Video, Experimental and News/Sports
- \$500 cash prize for Best Narrative Film
- \$500 cash prize John Prusak Visionary Award for Best Documentary
- 2 Ron Castorri Audience-Choice Award - \$250 cash prizes
- 7 COVID-Circumstance Awards - \$50 Gift Cards

West Bloomfield High School - Teacher: Jennifer Williamson

# DAFT Educator of the Year: Michael Conrad

Congratulations to Royal Oak High School's Mike Conrad, DAFT's 2021 Michigan Film & Video Educator of the Year! Mike has also been named 2014 Specs Howard Media Arts Educator of the Year and the 2017 Courageous Persuaders Wall Street Journal Courageous Leader Award.

"Mike has transformed the program in Royal Oak from good to great. In his tenure as the video instructor there he has incorporated PBS Student Reporting Labs for about 10 years and served as a leader for PBS SRL often leading their student and teacher workshops in the summer. He serves as the co-teacher for Focal Point, transforming that program and offering students an awesome film education in a brief week. His students' work with PBS and C-Span has paved the way for excellence in his program.

"Serving on DAFT's board, he continues to lead by example and helps out whenever needed. His students continuously excel in film and video competitions and truly love him as one of their favorite teachers every year. I can't think of anyone who hasn't enjoyed working with him - as he continually brings his A-game - and expects that of those who work with him."

-- Nominator, Michael Kaufman
