

DIGITAL ARTS, FILM & TELEVISION PRESENTS  
**54TH MICHIGAN STUDENT FILM FESTIVAL**

**JUNE 4, 2022 @ DIA'S DETROIT FILM THEATRE**

DAFT thanks Mary Beth Castorri for her generous donation honoring the memory of her husband and partner Ron Castorri, a Detroit-based filmmaker, producer and very proud Wayne State University film school graduate.

For further information on supporting Ron Castorri's legacy, DAFT encourages you to support the Sky Foundation, dedicated to raising funds to advance research and increase awareness for the early detection and treatment of pancreatic cancer. Learn more about the foundation at [Facebook.com/SkyFoundationInc](https://Facebook.com/SkyFoundationInc).

Welcome to the 54th annual Michigan Student Film Festival!

We are so very proud to say 'annual' as the technology of our medium allowed us to continue this wonderful festival, virtually, for the past 2 years during the COVID pandemic. With every challenge that was thrown our way, we are still here! And, we are thrilled you are back here with us inside the beautiful Detroit Film Theatre at the DIA.

The past two years saw student production get more creative than ever as limited student access to technology, and limited face-to-face interaction, put the emphasis back on bare bones production skills and finding that unique story to tell. As filmmakers, we must always be prepared to augment our production plans at the drop of a dime. Which leads us to our June date here at the DIA. Through schedule conflicts and creating brainstorming, our festival was forced to push back a few weeks which allowed us to also push our submission deadline back a few weeks. What a blessing in disguise! This led to the most submissions ever to the Michigan Student Film Festival. Student filmmakers have come back with a vengeance!

Our judges continued to use our new format of virtual technology to gather for the 1st round of judging over a weekend in May to view and review over 350 entries. Then, followed by a wonderful day convening face-to-face at Lawrence Technological University, we were able to complete the difficult task of selecting the films you are seeing here today, the Best Of Show.

Thanks to everyone who worked so hard to rebuild the 54th Michigan Student Film Festival and get us back to this wonderful location, with you. Those thank yous include the DIA and Detroit Film Theatre, our partners of over 30 years. Special shout-outs go to the DFT's projectionist, Jody Huelmantel, everyone on the DAFT Board of Directors, our partnership colleges: College for Creative Studies, Lawrence Technological University, Motion Picture Institute and University of Detroit Mercy. And, a special thanks to WDIV's Tati Amare for serving as our host for the festival.

None of this would happen without the dedicated teachers who encouraged and mentored the amazing students who submitted their work. Congratulations to all who produced and submitted your films. Remember, your films are already uploaded to FilmFreeway so why not search for new and exciting film festivals. It's all just a click away. Let your work be seen!

To see you work. Your heart and soul. Your creative drive. It makes us beam with pride. For over 50 years we have had the pleasure of watching some of the best of DAFT become some of the best in the industry. Will you be next?

I am proud to serve as your DAFT president.

Mike Conrad  
DAFT President

## ***JUDGING AND AWARDS***

Recognized by the American Film Institute as the longest-running K-12 student film festival in the nation, the Michigan Student Film Festival was founded by the non-profit DAFT (Digital Arts, Film and Television) as a showcase for Michigan students to demonstrate their skills and to network with one another and industry professionals.

### **The Judging Process**

From May 6-10th, first-round judging took place online with nearly 60 judges viewing entries from across the state. After each viewing, every judge completed a digital review form which will be returned to the students—rarely done in film festivals. The second round of judging took place in-person at Lawrence Technological University on May 14th with three rooms of judges finalizing the selections for the Best of Show reels you will see today. Awards are assigned based upon the following criteria.

**Merit Certificate** – Commendation for undertaking and completing a media production.

**Honor Certificate** – Cited for a higher than average level of quality in their content and/or technical achievement.

**Excellence Certificate** – Cited for outstanding level of quality in content and/or technical achievement.

**Best of Show Certificate and Trophy** – Chosen from the Excellence level to represent the best student work at the Festival screening.

**Funding the Festival:** The 54th Michigan Student Film Festival is supported primarily through a generous grant from the Michigan Arts & Culture Council as well Mary Beth Castorri, who honors her late-husband producer Ron Castorri. The MAC grant requires matching funds which is gathered through DAFT student, adult and institutional memberships and festival entry submission fees of \$12 per entry. We also wish to thank generous financial support from the National Endowment for the Arts.

**Scholarships:** We thank our partner colleges for the generous support of full and partial scholarships for our students, including:

**College for Creative Studies (Detroit)** – three \$2,000 annual scholarships

**Lawrence Technological University (Southfield)** – a \$2,500 annual scholarship

**Motion Picture Institute (Troy)** – four \$4,000 scholarships

**University of Detroit Mercy (Detroit)** – a \$500 annual scholarship

**Special Prizes:** Thanks to the generosity of our donors, we were able to offer additional prizes to be announced at today's festival, including...

**Senior Level (9 –12 grade)**

\$250 ProCam Gift Cards for top PSA, Animation, Music Video, Experimental and News/Sports/Magazine

\$500 Best Narrative Film Award

\$500 John Prusak Visionary Award for Best Documentary

## Elementary • Best of Show

# 2022 Michigan Film and Video Educator of the Year

**Illya Tolbert**  
**Bates Academy**

Illya Tolbert has been teaching visual art in the Detroit Public Schools for over 25 years and is a graduate of Mumford High School and Wayne State University. A former board member of DAFT (Digital Arts Film and Television) and has worked with DAFT on past Michigan Student Film Festivals.

Mr. Tolbert taught an after school program emphasizing stop motion animation. Now he incorporates animation as a regular part of middle school art curriculum at Bates Academy. During the last virtual school year he created successful YouTube channels to help students with art lessons and made over 100 videos used by his students to learn art online.

His middle school students at Bates Academy have been awarded the Gold key and Silver key at the Scholastic Art Awards every year he has taught there and his students' animations have won Michigan Student Film Festival "Best of Show" award for the past six years. He was awarded the Detroit Public Schools Art Teacher of the Year in 2013.

Illya is honored and surprised to be receiving this award. Illya would like to thank his wonderful wife Sherri for supporting him through all these years.
