56th Annual

Michigan

Student Film

FESTIVAL

DAFT
DIGITAL ARTS, FILM AND TELEVISION

President's Letter - 2024 Festival Program

Welcome to the 56th annual Michigan Student Film Festival!

It is truly an honor and privilege to be with you this afternoon at the beautiful Detroit Film Theatre at the Detroit Institute of Arts. Today we celebrate 56 years of student film production!

The MSFF is the longest running student film festival in the country. We've been honoring student film production longer than the Lions have dreamt of a Super Bowl! (fingers crossed!)

To dwell on the past seems counterproductive. But I feel we need to fully appreciate this day. Not only did DAFT survive the many years of the educational and artistic struggles of a global pandemic, we are here to say because of you, our wonderfully resilient and brave student filmmakers, we have thrived with a RECORD NUMBER of student film submissions in the history of this festival.

A record number of Students who have said "I am ready for my voice to be heard!"

A record number of Students who have said "I have something to say!"

A record number of Students who have risen above apathy to create a message worth seeing.

And today ... you will see.

Behind each and every one of those students stands an educator. A mentor. A teacher.

This festival is only here because of you, and your dedication to your passion for your students. Know that while your student filmmaker's names are on the certificates, they are here with you. And because of you.

Our judges gathered online just a few short weeks ago for the 1st round of judging to view and review over 425 entries. That followed with an exciting day together at Lawrence Technological University where we completed the incredibly difficult task of narrowing the field of submissions to the selected films you are seeing here today, the Best of Show.

Congratulations to you all.

You wrote. You filmed. You edited. You produced.

While I am a teacher with my own students, I am equally inspired and proud of your work. And I congratulate you on your Best of Show award.

Thanks to everyone who worked so hard to bring you the 56th Michigan Student Film Festival: The DIA and Detroit Film Theatre, the DFT's projectionist Jody Huelmantel, the DAFT Board of Directors, our partnership colleges: College for Creative Studies, Lawrence Technological University, Motion Picture Institute and University of Detroit Mercy. And, a special thanks to WDET's Ryan Patrick Hooper for serving as our host for this year's festival.

"Whether you think you can or you think you can't, you're right." Henry Ford said that.

Be proud that you said you can. Enjoy your day.

I am honored to serve as your DAFT president.

Mike Conrad
DAFT President

Judging and Awards

56th Michigan Student Film Festival

Recognized by the American Film Institute as the longest-running K-12 student film festival in the nation, the Michigan Student Film Festival was founded by the non-profit DAFT (Digital Arts, Film and Television) as a showcase for Michigan students to demonstrate their skills and to network with one another and industry professionals.

The Judging Process

In late April and early May, first-round judging of over 450 student entries took place online with nearly 80 judges viewing entries from across the state. After each viewing, every judge completed a digital review form which will be returned to the students—with detailed feedback rarely provided in film festivals. The second round of judging took place in-person at Lawrence Technological University on May 11th with three rooms of judges finalizing the selections for the Best of Show reels you will see today. Awards are assigned based upon the following criteria.

- **Merit Certificate** – Commendation for undertaking and completing a media production.
- **Honor Certificate** – Cited for a higher than average level of quality in content and/or technical achievement.
- **Excellence Certificate** – Cited for outstanding level of quality in content and/or technical achievement.
- **Best of Show Certificate and Trophy** – Chosen from the Excellence level to represent the best student work at the Festival screening.

Funding the Festival: The 56th Michigan Student Film Festival is supported primarily through generous grants from the Michigan Arts & Culture Council and the Brookby Foundation. The MACC grant requires matching funds which is gathered through DAFT student, adult and institutional memberships and festival entry submission fees of \$12 per entry which offset printing expenses, prizes, trophies, and selective staffing and business expenses such as promotion, mailings and facility use, etc.

We also wish to thank generous financial support from the National Endowment for the Arts and Mary Beth Castorri whose generosity honors her late-husband producer Ron Castorri.

Scholarships: We thank our partner colleges for the generous support of partial scholarships eligible for accepted students at their respective schools who are in festival submitters and/or DAFT member high schools:

- College for Creative Studies
- Lawrence Technological University
- Motion Picture Institute
- University of Detroit Mercy
- Wayne State University

Special Prizes: Thanks to the generosity of our donors, we are able to offer additional prizes to be announced at today's festival, including...

- \$500 cash prize for Best Narrative Film courtesy of Wayne State University
- \$500 cash prize for The John Prusak Visionary Award for Best Documentary—courtesy of private donations from John's family and many, many friends and admirers.

2024 Michigan Film and Video Educator of the Year

Bill Wolbrink
Careerline Tech Center

Bill Wolbrink is a compassionate educator who becomes instant friends with everyone he meets. Bill received two B.S. Degrees from Ferris State University, one in Printing Management and one in Technical Education; and also has his Masters in Career and Technical Education from Ferris State University. Bill started his teaching career at his alma mater Union High School. He then moved on to the Careerline Tech Center in Holland, MI.

DAFT wishes to specifically thank Bill for his tireless efforts as a longtime board member working behind the scenes designing innovative gadget and tricky Career Tech Education requirements for educators at its annual Media Teacher Symposium as well as for his gifted artwork each year adapting the winning poster designs into our festival slide decks and for the monumental job of creating the program you're holding right now.

When you walk into Bill's classroom he will be the first one to tell you that the students that he teaches are not just video and audio editors, not just directors and producers, but are storytellers and that storytelling is at the heart of everything they do. Bill is always ready with a story to share.

It could be a story about the amazing chicken tenders at the Courageous Persuaders awards ceremony, or a story about how they awarded him as Courageous Leader in 2014. For over twenty years his dedication and passion is exemplified not only in the numerous accolades that his students receive every year, but also in his dedication to his collection of bobbleheads. Bill is married to his wife Corinne and they have two children Ashleigh and Matt. The next time you see Bill Wolbrink be sure to address him as, "Bill Wolbrink, DAFT's 2024 Teacher of the Year."

-Nominated by Brian Stackpoole and Jennifer Williamson

Past DAFT Educators of the Year

2023 - Steve Geresy, Grosse Pointe South HS/Pierce Middle School
2022 - Illya Tolbert, Bates Academy (Detroit)
2021 - Mike Conrad, Royal Oak High school

STATE OF MICHIGAN
OFFICE OF THE GOVERNOR
LANSING

GRETCHEN WHITMER
GOVERNOR

GARLIN GILCHRIST II
LT. GOVERNOR

June 1, 2024

Dear Friends,

On behalf of the state of Michigan, I'd like to extend my warmest greetings to everyone attending the 56th Michigan Student Film Festival hosted by Digital Arts, Film & Television (DAFT).

With student-produced films including documentaries, narrative shorts, animations, public service announcements, and more, DAFT's Michigan Student Film Festival is an opportunity for Michigan K-12 students to showcase their projects on the big screen and receive recognition for their hard work. I extend my congratulations to all of the awardees at this year's festival. Your dedication and creativity are impressive, and I am proud of the talent and innovation you have demonstrated. Your films are a testament to the vibrant and dynamic artistic community we have here in Michigan.

As you continue to pursue your passion for film and the digital arts, I encourage you to harness the opportunities we have to offer here in Michigan in the wide range of creative education programs and industries our state has to offer. You have infinite potential, and I look forward to seeing the great things you will do as you continue to embrace opportunities to forge a bright future. I also extend my gratitude to the teachers and mentors of today's awardees. The work you do is vital to inspiring our students to be creative.

Again, welcome to the 56th Michigan Student Film Festival hosted by the Digital Arts, Film & Television, and congratulations to this year's awardees. Please accept my best wishes for an enjoyable and memorable screening.

Sincerely,

A handwritten signature in blue ink that reads "Gretchen Whitmer".

Gretchen Whitmer
Governor of Michigan
