

Updates to DAFT's Film Freeway Submission Form

(If applicable) Consider this entry also for new special category awards (K-8 and HS level) for waterways, conservation and the environment.

- The Michigan Maritime Museum Award - Michigan's waterways, their history and conservation.
- Planet Detroit- Entries featuring an Environmental theme.

Enter the Start-Time for submissions longer than 5 minutes (e.g. 13:45)--otherwise judging will begin at the start of the video.

Using COMMAS between names (not new lines), list only the names of KEY students for Certificates/Program--generally 2-5 students.

I verify that all names included are spelled correctly and will be used as-is for the program, certificates and other publication.

NOTES FOR JUDGING: Include key information/details judges should know about this production--especially copyright permission, outside assistance, extenuating circumstances, AI) NOTE: You may email documentation as evidence of permitted use of music to areyoudaft@hotmail.com with the entry title and your name.

I understand that the DAFT reserves the right to inquire further or exclude an entry from Best of Show selection or overall festival consideration if any of the following occurs: (1) Copyrighted media/writing is used without evidence of permission (2) Content exceeds standard school-appropriate material (inappropriate language, violent content e.g.) (3) AI is used in the creation of the submission without disclosure in Notes to Judges.
